

Carl Abeyta Medical Fundraiser

As many of you may already know, in May, Carl Abeyta (Printing and Mailing Services) was diagnosed with lymphoma. A large tumor was discovered on one of his lungs making it difficult for him to breath. He has been undergoing chemotherapy since then. He was getting ready to return to work the first part of August when a new tumor was discovered on his other lung. He is now undergoing a new round of treatment. Since he has been out of work for over 3 months, his medical insurance and short term disability have run out and his long term disability won't be in effect for over 90 days.

Because Carl is one of a handful of Teamster members at the University, he is unable to receive donated hardship leave from SEIU employees. A "Carl Abeyta Medical Fund" account has been set up at OnPoint Credit Union for people to donate money. You can either mail a check (made out to the Carl Abeyta Medical Fund) to the following people or visit OnPoint Community CU at 207 Coburg Rd, Suite 101 to donate cash.
