

**EVERY YEAR WE WORK HERE, WE GET MORE TO DO FOR LESS PAY!
VERSION III**

(To the tune of "My Bonnie Lies Over the Ocean")

1. OS just ignores the big issues.
The newspapers don't make 'em plain.
If you want to know what we would strike for,
Just listen and we will explain:

**CHORUS: Each year we work here,
 They UP the workload and CUT the pay!
 Each year we work here,
 We get more to do for less pay!**
2. OAs with big salaries got raises --
The Prez gave them all 3 point 5.
Now let's do the same for the workers
Who make college campuses thrive!
3. My grocery bill keeps on increasing.
So does driving and taking the bus.
And light, heat & water and housing –
The only thing cheaper is us!
4. The U of O's getting top-heavy
With 28 percent more OAs.
They've upped all the management's paychecks,
While we're left behind with no raise!
5. If you'd like to call up the governor,
And tell him to get something done,
It doesn't cost much to call five-o-three-
Three-seven-eight three-one-one-one!
6. The O-U-S bargaining delegates
Have so far just blustered and blundered.
So call up and talk to the Chancellor:
Five-o-three seven-two-five five-seven-hundred!
