

## Move the Bargaining On

(To the tune of "Let the Church Roll On")

Move the Bargaining on, move the Bargaining on!  
Move the Bargaining on, my friends, move the Bargaining on!  
They try to cut our pay,  
They want to trample our rights --  
What can we do?  
GET UP AND WALK OUT,  
And move the Bargaining on!

Move the Bargaining on, move the Bargaining on!  
Move the Bargaining on, my friends, move the Bargaining on!  
They despise & scorn us,  
And they won't bargain right --  
What can we do?  
GET UP AND WALK OUT,  
And move the Bargaining on!

3. If they think *this place\** (\*or: *this school, U of O, OSU, this home, etc.*)  
Runs all by itself,
4. They insult our skill  
Like it's not worth buyin'
5. When they treat our work  
Like we're wasting our time,
6. If they just mess around, (*all summer long,*)  
Instead of bargaining right,
7. If they offer us a deal  
That a dog wouldn't sign,  
What can we do?  
GET UP AND WALK OUT,  
And Move the Bargaining On!
