

## **PUT IT ON THE GROUND**

1. If you need a raise in pay here's all you have to do:  
Just go & ask your boss for it and s/he will give it to you!  
Yes s/he will give it to you my friend, s/he will give it to you –  
A raise in pay, without delay, yes s/he will give it to you!

**CHORUS: O-O-O-O-OH, PUT IT ON THE GROUND,  
SPREAD IT ALL AROUND,  
DIG IT WITH A HOE,  
IT WILL MAKE YOUR FLOWERS GROW!**

2. For Admin and for OUS we're shedding tears today:  
The rank and file are restless, and they want a fair day's pay.  
Don't they know the system really can't afford a raise,  
When it costs so much to hire more Vice Provosts and OAs?

**CHORUS:**

3. Our compliments to OUS: they've made their message clear,  
With disrespectful words and deeds to everybody here!  
They yell and howl and slam the table fit to draw a crowd,  
To show that true professionals are rude and crude and loud!

**CHORUS:**
