

**We'll All Roll the Union Along**  
***(And We Won't Be Left Behind!)***

***(To the tune of "Roll the Old Chariot Along")***

**CHORUS: We'll all roll the union along,  
We'll all roll the union along,  
We'll all roll the union along, and we *won't* be left behind!**

1. To make a living wage is what we're in it for!  
To make a living wage is what we're in it for!  
To make a living wage is what we're in it for, and we won't be left behind!
2. Respect on the job is what we're in it for!  
Respect on the job is what we're in it for!  
Respect on the job is what we're in it for, and we won't be left behind!
3. A fair contract is what we're in it for!
4. With a bit of honest bargaining we'd all be better off!
5. A healthy place to work in is not a lot to ask!
6. We deserve appreciation for the work we do!
7. We deserve remuneration for the work we do!
8. A health plan that works is not a lot to ask!
9. Administrators think they can run the place alone,  
Administrators think they can run the place alone,  
Administrators think they can run the place alone, but we won't be left behind!
10. What would they do if we all walked out?  
What would they do if we all walked out?  
What would they do if we all walked out, 'cause we won't be left behind!
11. A Really Good Contract is what we're in it for!  
A really good contract is what we're in it for!  
A really good contract is what we're in it for, and we won't be left behind!
